Chapter 3 (Game Rules)

Article 6 Personal Equipment (Gear) and External Programs Usage

6.1 Participants shall participate in the tournament with equipping Arsha's Gear III (Trial Character). In the event of an offline match, participants may be given a separate gear provided by the tournament organizer.

6.2 Participants of the tournament may use macro capable mouse or keyboard. However, use of macros is prohibited.

6.3 Participants with macro capable equipment must agree to cooperate with the tournament organizer and may be requested to share macros settings. Failure to agree may result in assumption of macro program usage.

6.4 Participants shall not use any external programs other than the game software except drivers and voice chat programs.

6.5 In the event of a program malfunction when installing drivers or using voice chat programs, the participant is responsible for their own.

6.6 The participant is responsible for disadvantages (if any), or match outcome caused using participant's own personal equipment.

Article 7 Match-setting

7.1 The participant's in-game setting and equipment setting shall be completed before the match.

7.2 The participant shall check their surroundings and PC condition and check in advance for any factors that may affect their performance. The participants shall be responsible for resulting performance and disadvantages, if any.

7.3 If any names were changed after the sign up and the end of the tournament, the team captain must inform the tournament organizer as soon as possible.

7.4 Notifying the tournament organizer too late may lead to disqualification.

Article 8 Organizer Discretion

8.1 The tournament organizer shall be the sole responsible party, and match decisions made by the tournament organizer shall not be overturned.

8.2 The tournament organizer shall check game conditions in advance to ensure smooth operation of the tournament.

8.3 If it is determined by the tournament organizer that a match can no longer be played due to an unforeseen circumstance, or if it is deemed difficult to determine the victor at the time of the situation, the organizer may call a draw.

8.4 If the participant determines that there is difficulty in playing the match, the participant shall notify the

tournament organizer using Arena of Arsha's chat (Alt+9).

8.5 If a match spectator or official is deemed to significantly affect the outcome of the match, the organizer may forcefully remove them from Arena of Arsha.

8.6 If a non-participant is deemed to have interrupted or disrupted the operations of the tournament, the organizer may sanction penalties or punishments according to the Operational Policy.

8.7 The tournament organizer may sanction penalties or punishments to any participants who overreact to the decision of the organizer or unjustly affect the outcome of the match.

8.8 If there are any concerns about the decision of the tournament organizer, an appeal may be made to the organizer after the end of the tournament. A judgment will be made by the tournament organizer.

8.9 However, under Article 8 Section 1, match decision shall not be overturned. In case of a misjudgment, affected parties will be compensated.

8.10 The tournament organizer reserves the right to change the match results at any time even after they have been announced prior to it.

Article 9 Prohibited and Unsportsmanlike Acts

9.1 In the event of any prohibition or unsportsmanlike conduct, the tournament organizer shall make the following judgments to the participant:

Disciplinary Action	Content
Warning	<ul style="list-style-type: none">▶ Failure to comply with the tournament organizer’s instructions and tournament rules.▶ Intentionally disconnecting from the game and disrupting the match.▶ Attempting to affect a match through in-game chat▶ Intentionally provoking an opponent through excessive language displays, etc. *Receiving 2 warnings equals a Tournament Forfeit

9.2 If any action by the participant is identified that purposely induces a draw or participant does not actively participate in the match, participant may receive a loss for the round. (e.g., intentionally not coming out of the starting point [near the NPC located on the battlefield] during a match or entering the starting area during a match to avoid combat)

9.3 In addition to the above, appropriate disciplinary actions and sanctions may be imposed in accordance with the judgment of the tournament organizer if the participants interfere with the normal operations of the game.

9.4 If it is confirmed that another person has participated in a match on the participant’s behalf, the participant and/or the team may be immediately dismissed and disqualified. The participant and/or the team may be disqualified from participating in the rest of the tournament. The participant may be subject to punishment as per the Operational Policy.

Article 10 Disconnections

10.1 In the event of a disconnect, the participant shall re-connect and inform the tournament organizer on the continuation of the match.

10.2 The determination of the match shall be as follows, regardless if the disconnection occurred on the participant’s end or the tournament organizer’s end.

Context	Procedure
Before the round start	Void and re-start, keeping the current score.
During the round	The round continues and the match will be paused after the round to let the participant reconnect for the next round.

Article 11 Team/Family/Character Name, Class, And Item Usage

11.1 If the tournament organizer determines that the team/family/character name of the participant violates the Black Desert name policy, or is offensive to others, the participant/team may be disqualified.

11.2 In this tournament, [Battlefield] Potions, Ornette’s Spirit Essence, and Odore’s Spirit Essence may be used. If the tournament organizer determines that the use of certain items may cause issues during the tournament, this rule may be changed, and the use of items may be restricted.

Article 12 Amendments and Obligations

12.1 If the latest game patch or version affects the tournament regulations, the tournament organizer may make some changes to the rules.

12.2 Participants are encouraged to periodically check the rules to stay informed.

12.3 The tournament regulations shall be published in advance. If changes are made, an announcement will be made on the official website and/or in-game.

Article 13 Substitutes

13.1 Teams are allowed one substitute. Teams may not add or remove their substitute once the signups have been closed.

13.2 If one of the main team members cannot participate or at the team leader's discretion, the substitute may replace a team member.

13.3 Teams must inform tournament organizers of the decision to use a substitute prior to the start of their match.

13.4 Substitutes cannot be swapped between rounds but can be swapped between matches.

13.5 Substitutes will also receive rewards regardless of their participation in the tournament including the 2026 Heidel Ball Invitation and NA vs EU Showdown Championship Offline Match Entry. **(Updated: 03/28/2026 00:30 UTC)**

13.6 Substitutes must abide by class regulation rules (no duplicate classes during sign-up).

- e.g If the three main team members enter as Warrior, Ranger, Berserker, the substitute cannot enter as a Warrior, Ranger, or Berserker.

Article 14 Effective Date

14.1 These regulations shall be enforced at the time of publication
